

# BHARTI PAWAR

Front End Developer

Mobile: [8744027028](tel:8744027028)

Email ID: [bhartipawar0008@gmail.com](mailto:bhartipawar0008@gmail.com)

Address: Faridabad, Haryana

Highly motivated and skilled Front-End Developer leveraging expertise in React, JavaScript, and UI/UX design to create engaging and user-friendly web applications. Aiming to contribute to innovative software development projects within a dynamic and growth-oriented environment.

## PROFESSIONAL SUMMARY

- Front-End Developer with proven experience in building responsive and interactive web applications using React.js, JavaScript (ES6+), HTML5, and CSS3.
- Skilled in implementing user-centric UI/UX designs, delivering accessible, pixel-perfect interfaces that enhance usability and performance across devices.
- Hands-on expertise with modern tools and libraries including Tailwind CSS for utility-first styling, Git/GitHub for version control, and RESTful APIs for backend integration.
- Proficient in handling asynchronous JavaScript using async/await and Promise-based flows, ensuring smooth data transactions and state updates.

## WORK EXPERIENCE

### React Developer

[STAMENS SOFTWARE PVT. LTD. \(Noida\)](#) (Aug 2024 - Present)

- Developed responsive and reusable UI components using React.js and modern JavaScript (ES6+), ensuring performance optimization and cross-browser compatibility.
- Collaborated with UX/UI teams to deliver pixel-perfect designs using Material UI, aligning with design systems and accessibility standards.
- Implemented **interactive data visualizations** using **charts** to represent gas, oil, sand, and water analytics across dashboards.
- Built and validated dynamic forms using **Formik** and **Yup**, improving user input accuracy and reducing validation errors.
- Integrated frontend with backend services using **Apollo Client** and **GraphQL**, leveraging caching strategies for optimized performance.
- Managed date/time operations using **Moment.js** to ensure consistent and localized datetime displays across views.
- Collaborated with backend team using **.NET Core 5** and **MongoDB**, consuming endpoints built on the **HotChocolate GraphQL** platform.
- Contributed to the frontend architecture of five major modules: **Dashboards, Well Performance, Model Calibration, RGNet, and Integrated Forecasting**, enhancing data-driven decision-making.

### Web Development Intern

[OASIS INFOBYTE](#) (Jan 2023 - Feb 2023)

- Designed and developed a **responsive personal portfolio website** using **HTML5, CSS3, and JavaScript**, showcasing client's education, technical skills, and project experience.
- Implemented an **interactive, user-friendly UI** with smooth navigation and optimized layout to enhance accessibility and presentation across devices and screen sizes.

## PROJECTS

### Speech Text Reader

- Developed a **browser-based text-to-speech web application** using **HTML5, CSS3, and vanilla JavaScript**, leveraging the **Web Speech API** for speech synthesis.
- Implemented dynamic UI components allowing users to input custom text and control playback, delivering a seamless and interactive user experience across modern browsers.

### Portfolio Website

- Developed an **interactive and responsive portfolio website** using **HTML5, CSS3, and JavaScript**, designed to effectively present professional skills, projects, and experience.
- Implemented a **modern, user-friendly UI** with intuitive navigation and clean layout, enhancing user engagement and accessibility across devices and browsers.

### Razorpay Clone

- Recreated the **Razorpay payment gateway interface** using **HTML5, CSS, JS** replicating its responsive layout and interaction flow.
- Simulated **end-to-end UI components** of a modern transaction platform, focusing on visual fidelity, layout precision, and business-oriented user experience design.

## CERTIFICATIONS

HTML AND CSS (BY COMPUTER EDUCATION) (2024)

C++ DSA (BY CODE HELP) (2023)

JAVASCRIPT (BY COMPUTER EDUCATION) (2023)

WEB DEVELOPMENT (BY CODE HELP) (2023)

## SOFT SKILLS

Communication  
Teamwork  
Problem-solving  
Time Management

## TECHNICAL SKILLS

React.JS  
Typescript  
JavaScript  
HTML  
CSS  
Tailwind CSS  
Git/GitHub  
UI/UX Designing  
Responsive Design  
RESTful APIs  
GraphQL  
Figma  
UI Libraries / MUI  
ReactFlow

## CORE COMPETENCIES

Front-End Development  
Web Application Development  
Responsive Web Design  
UI/UX Implementation

## EDUCATION

### Bachelor of Technology in Information Technology

Guru Jambheshwar University, Hisar  
2021 - 2024

### Diploma in Computer Engineering

Government Polytechnic for Women,  
Faridabad  
2018 - 2021
